1. As a UCSD student, I want to be able to have a private place to keep my job-hunting history, so that I can protect my privacy.

2. As a UCSD student, I want to be able to find different workshops that the school offers, so that I can attend the ones I am interested in.

3. As a UCSD student, I want to know when career events take place so that I can make time for those interesting ones.

4. As a UCSD student, I want to be able to view events happening today and get reminded, so I can be more targeted and actually going to the events.

5. As a UCSD student, I want to be able to know the location of a particular event that I am interested in, so that I can plan early and attend it on time.

6. As a UCSD student, I want to know if the company that I am interested in is having an info session at my school, so that I can learn more about the company.

7. As a UCSD student, I want to be able to know if there are alumni reunions going on, so that I can cultivate good relationships with the alumni who are already in the industry.

8. As a UCSD student, I want to be able to add an event to my favorite event list, so that I can always find it when I want to.

9. As a UCSD student, I want to be able to remove a past event from my favorite event list, so that my favorite event list stays updated.

10. As a UCSD student, I want to search for keywords when I search for jobs, so that the jobs will be more suitable for me and I can save a lot of time searching.

11. As a UCSD student, I want to have different filter options on the job search engine, so that I can save more time while trying to find a job opportunity that suits me.

12. As a UCSD student, I want to be able to find internship opportunities, so that I can gain more experience in the industry.

13. As a UCSD student, I want to be able to find a full-time job after graduating, so that I can pay off the student loan that I currently owe.

14. As a UCSD student, I want to know the location of the job opportunities that I am interested in, so that I know which one suits me the best.

15. As a UCSD student, I want to be able to know the work

authorizations required for job positions, so that I know which companies I can apply to.

16. As a UCSD student, I want to be able to visit the official websites of the job providers of the job opportunities that I am interested in, so that I can get firsthand knowledge about what recruiters are expecting.

17. As a UCSD student, I want to be able to add a job opportunity to my favorite job list, so that I don't lose track of it.

18. As a UCSD student, I want to be able to remove an unavailable job opportunity from my favorite job list, so that my favorite job list stays current.

19. As a UCSD student, I want to be able to know more information about corporations that are currently hiring new graduates, so that I can apply to those job openings.

20. As a UCSD alumni, I want to be able to provide referrals for UCSD students, so that we can form a stronger bond.

21. As a UCSD alumni, I want to be able to hide an unavailable referral entry, so that other students do not waste their time applying.

22. As a UCSD alumni, I want to be able to show an unavailable referral entry when it becomes available again, so that other students can apply to it again.
